

# Advertise in the SFCC e-Newsletter

Located in northwest Phoenix, Sunburst Farms offers traditionally rural perks of farm living within city limits to nearly 700 households. Every year, the Sunburst Farms Community Cooperative [SFCC] organizes several events for homeowners and the community, including an annual Easter Party and Holiday Hayrides, and has created a scholarship fund for youth who volunteer their time and talents at these events to assist them with educational opportunities.

To increase the amount of scholarship funds available for Sunburst Farms youth, SFCC is now accepting a limited number of advertisers for its community e-newsletter, *Sunburst Farms News*. This is an annual agreement, and the full cost of ads is restricted for use with Sunburst Farms' scholarship program.
